RETURN POLICY

Returns must be authorized with a Bolt and Nut Supply Ltd. Return Authorization Number (RA#) from Head office in Cambridge. Please record the assigned RA# on the outside of the returned cartons. The RA# is only valid for 30 days.

All products returned must be in original packaging and in good condition for resale. All products are subject to our quality and quantity inspections prior to any credit being processed.

A copy of the original packing slip or invoice must accompany the goods returned, dated within 30 days from the date of purchase.

Special non-stocked manufactured products, special finishes or platings and any discontinued items are not subject to cancellation or return.

Return Prepaid Freight:

All customer ordering errors will be subject to transportation arrangements and prepaid charges.

Collect shipments will not be accepted.

Shipping Errors:

All shipping errors or shortages must be reported within 10 days.

Restocking Charges:

Returned products that are accepted are subject to a minimum 25% restocking charge or \$25 whichever is greater, that will apply to returns without a replacement order. If there is a replacement order of equal or greater value, there will be a \$10 administration fee.
