SUPPLY LTD.**

Over 60 Years of Quality Service and Commitment

Dear Customers,

Effective February 16<sup>th</sup>, 2021 Bolt and Nut Supply will now allow walk in customers at all of our branches - Cambridge, Stoney Creek or Brantford. You can also still use curb side pick-up if you choose by calling the numbers below.

For Curb Side Pickup you must call in advance to place your order and pay using a credit card (or put on account); we will pick, pack and prepare the order for pick up. We will schedule a pick-up time at that point, or call you when the order is ready. Call ahead when you are ready to pick up your order.

Cambridge - 519-623-0370 or 1-800-265-8642

Brantford - 519-753-3157

St. Creek - 905-643-7331 or 1-800-323-4614

Or call your usual contact.

As per Ontario Covid Legislation, we are open for walk in business but with limited capacity. There will be signs on the door telling how many people can be inside the location at any given time. For your safety and the safety of our employees, please respect this.

We are no longer signing (or asking for signatures) on pick-ups or deliveries. The name of the person picking up will be proof of delivery. All the above changes are as mandated by the Ontario Government lockdown. Thank You for understanding.
