

Dear Customers,

Effective January 4th, 2021 Bolt and Nut Supply can no longer allow walk in customers at any of our branches - Cambridge, Stoney Creek or Brantford.

You can still receive the same great service, and pick up at our branches and Cambridge - but with some changes. You must call in advance to place your order and pay using a credit card (or put on account); we will pick, pack and prepare the order for pick up. We will schedule a pick-up time at that point, or call you when the order is ready. Call ahead when you are ready to pick up your order.

Cambridge - 519-623-0370 or 1-800-265-8642

Brantford - 519-753-3157

St. Creek - 905-643-7331 or 1-800-323-4614

Or call your usual contact.

Because we are also a Safety Equipment Supplier you can also call and request an 'appointment' if absolutely necessary and we will try to accommodate you. It is important to limit this to people needing assistance or to look at options available - this will not be the 'norm'. To book an appointment please speak to the following people.

Cambridge - Dan, Tom or Fiona.

Brantford - Kevan

St. Creek - Adam

We are no longer signing (or asking for signatures) on pick ups or deliveries. The name of the person picking up will be proof of delivery.

All the above changes are as mandated by the Ontario Government lockdown. Thank You for understanding.
